

# Dearly Departed Datasets

FEDERAL  
DATA

d.2025

On this All Hallows' Eve, let us  
recognize the losses of datasets  
that served the American people

USDA

Current Population  
Survey Food Security  
Supplement

30 years shining a  
light on hunger  
in America

1995-2025

SAMHSA

Drug Abuse  
Warning Network

Beware of scary new  
illicit drug trends,  
now in the shadows

d.2025

EPA

# Greenhouse Gas Reporting Program

Though you were imperfect,  
you were the only source of  
emissions from 8,000 U.S.  
facilities across 47 sectors.

2010-2025

EPA

# Environmental Justice Screening and Mapping Tool

You showed where  
pollution meets  
poverty

d.2025

FEMA  
Future Risk Index

A light that shone  
brightly,  
but too briefly,  
on climate risks

2024-2025

OMB

Federal AI Use Case  
Inventory System  
Variable Column

*kinda important!*

Go not quietly into  
the abyss,  
data element that  
enables AI  
accountability

USAID

# Development Data Library

What is it like where  
you are now, behind the  
password?
